KICKBACK SCHEME

CUSTOMER SERVICE

Customer service is available by emailing tickets@faw.co.uk. Queries will be responded to as soon as possible in the order in which they are received.

TICKET DELIVERY & CYMRU TICKETS APP

Digital tickets will now be delivered via the Cymru Tickets app. Supporters opting for digital tickets will need to download the app from the App Store or Google Play and will need to ensure the mobile number on their FAW ticketing account matches the one used when setting up the app. Tickets will not be delivered if these do not match.

There are three main reasons why someone may not have received their digital tickets:

1. They have not purchased tickets. Tickets are sent to the lead booker, not the person they have been assigned to. If someone has not received their tickets, it may be because they are not the one who has purchased.
2. Tickets haven't yet been sent. Tickets will not appear on the app immediately after purchase but will be delivered no later than 48 hours before the match – in most cases this will be a lot earlier. Supporters will receive an email shortly before their tickets are sent to the app.
3. The number on the supporter's FAW ticketing account (www.faw.cymru/tickets) at the time tickets were sent did not match the number used to set up the Cymru Tickets app. Note: If this is the case, the tickets will not be automatically resent if the supporter updates the mobile number on their FAW ticketing account. They will need to contact tickets@faw.co.uk to request that the tickets are resent to the new number. This also applies if no mobile number was on their account at the time tickets were sent.

Paper tickets will be sent by first class post approx. 7-10 days before the match.

Paper tickets will not be available online after midday Monday 13th November.
