How long does membership last?

Membership went on sale from Wednesday 29th May and will run until the end of the 2026 FIFA World Cup Qualifying Campaign (including any play offs and finals tournament). Membership will also give priority access to UEFA Nations League and/or 2026 FIFA World Cup Qualifying Play-Off matches if Cymru are involved.

How many tickets can a Red Wall Adult/Junior member purchase?

- **Home match tickets:** Red Wall Adult/Junior members can generally purchase up to 4 tickets for home matches. This may be reduced for matches with extremely high demand or limited availability, or increased for matches with increased availability.
- **Campaign tickets:** Campaign tickets are limited to one per member.
- **Away match tickets:** Away match tickets are also limited to one per member and will be sold subject to the FAW's loyalty scheme.

How does the loyalty scheme work?

In cases where allocations are restricted, tickets will be sold subject to the FAW's loyalty scheme. This will prioritise supporters with previous Cymru match booking history. Eligibility criteria for away matches will generally prioritise supporters with away match booking history, while criteria for home matches will usually prioritise Campaign Ticket holders.
